We, the Senior Class of 1962, proudly present our edition of the PINE CONE. Into its completion has gone much work, planning, and time.

The Annual staff is grateful to Mrs. Powers, the faculty, the students, and the advertisers for their consideration and co-operation in this endeavor.

The close of school is near for us, and most of us are exceedingly proud. It is not the end of friendship, studying and learning that makes us proud, but the knowledge of completion.

It is our hope that this annual will be treasured by its owner, and bring back many happy memories.
